WE HAVE SOME GREAT NEWS!!

OUR SWIVELS HAVE BEEN TESTED!

WE HAVE NOW GOT OFFICIAL

'FOOD GRADE CERTIFICATION!

Welcome to our first bi-monthly newsletter to keep you up to date on whats happening here...

In coming months we will include special interest stories and articles relating to our industry and anything else that may be of interest to you.

We have the latest Hyundai WAI CNC machine - so if you would need any outside CNC work done - please do not hesitate to send through your information for a quote!

Please visit our website for all of our latest news at: www.tippettswivel.co.nz or email tippettswivel@xtra.co.nz

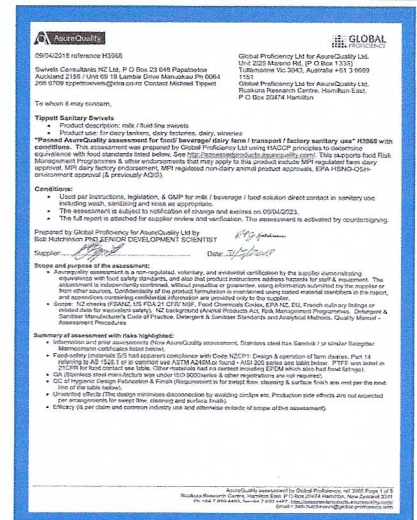

We are proud to announce that our Swivels have gained Food Hygiene Certification from 'Assurequality Assessment for Food / Beverage / Dairy Farm / Transport and Factory Sanitary Industries - H3968'.

Our Food Grade Swivels are supplied with the highest quality finishes in 316L Stainless Steel - with high quality RA finish. Our Swivels have been in use for many years within the Dairy and Wine Industries.

We pride ourselves in providing a top quality product that meets the demands of the job in hand.

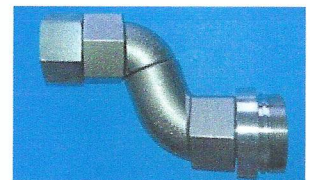

Receiving this certification will mean that our products are open to more industries with the assurance to our Customers that they are getting a product suited to their needs and requirements.

Please feel free to call us if you have any questions.

32ZVA Heavy Duty Swivel is on special for the months of JUNE - AUGUST 2018.
